DRINKING WATER STERILIZER

The **ATS Ultraviolet, Drinking Water Series**, is an effective way to provide safe, bacteria free water for your home or office, 24 hours a day, 7 days a week. ATS's Ultraviolet Disinfection Systems are setting the standards for water disinfection requirements in the water treatment industry.

FEATURES:

- Standard Warranty
- Completely Automatic
- Compact and Easy to Install
- Low Operating Costs
- Low Maintenance
- Flow Control
- Solenoid Valve Connection
- Sight Port
- 1" Male & 3/4" Female Standard Inlet/Outlet
- 304 Stainless Steel

BENEFITS:

- Tasteless & Odorless
- Eliminates microbiological contaminants without chemicals.
- Bacteria, viruses and other organisms are destroyed safely inside a factory sealed and tested stainless steel chamber.
